SWANK TALK

From My Lips to Yours!

Why, oh why can't real life be they way it is between the covers of this month's ***SWANK?*** More pussy than a man knows what to do with. Hundreds of women that are begging for you to fill each and every one of their warm, moist holes. Beautiul blondes, brunettes and redheads with a lust for cock that can never be satiated. And let's not forget those rug munchers who, in the world of ***SWANK,*** always invite a nice hard cock to join in their sappho sex romps. One can only wonder.

Sealed With A Nasty Kiss!

Hey! Hey! Hey! It's cock 'n' roll time here at *SWANK* once again, for another round of letters, letters, letters! Three cheers for me— and for all of you! Glad to be back with all my wonderful, lovely and sexy men! Did you miss me? Well, I missed you! Not to worry, though—I had all your cards and letters (thousands of them, in fact)—to keep me company while I waited for our time together! Isn't that grand? For sure! So, let's get down to business; and the business at hand, of course, is your letters! Have at me, dudes, and I will give it my best shot!

Sex With One— Or More?

Hi, Mary! I love you and I love ***SWANK***. I've been a subscriber here for nearly a decade. No shit! Anyways, here is my question: Is it normal for me to want to have sex with lots of different girls, even when I have a hot girlfriend already? Even though I am getting laid, all I can think about is fucking someone else. Do I need help? **Robert G., St. Louis, Missouri**

MARY: *No, you don't need help, Robert, just some understanding. Guys will fuck anything, anytime, anywhere. It's their biology, they can't help it, and that's cool. Women want to fuck, but they also want to shop for shoes. So, yes, Robert, to answer your query, it is normal for you to want to bang around outside of one vagina. The only problem is, that the girl you are primarily having sex with, may not be so happy with your roaming ways. Your biology is fine, but you have to get on the same page with your lover so your screwing around doesn't backfire on you—big time.*

President Carey?

I first became a fan of yours, Mary, years ago when you ran to become governor of California; I thought that was a ballsy thing for a porn star to do, and I salute you for it. I couldn't vote for you because I live in New York, but I rooting for you from the opposite coast. Anyways, my friends and I want to know if you are planning to run for anything else down the road in 2012? And if you are, all of us want to volunteer to help you! **Pete D., Brooklyn, New York**

Are porn-

goes—"gay-for-

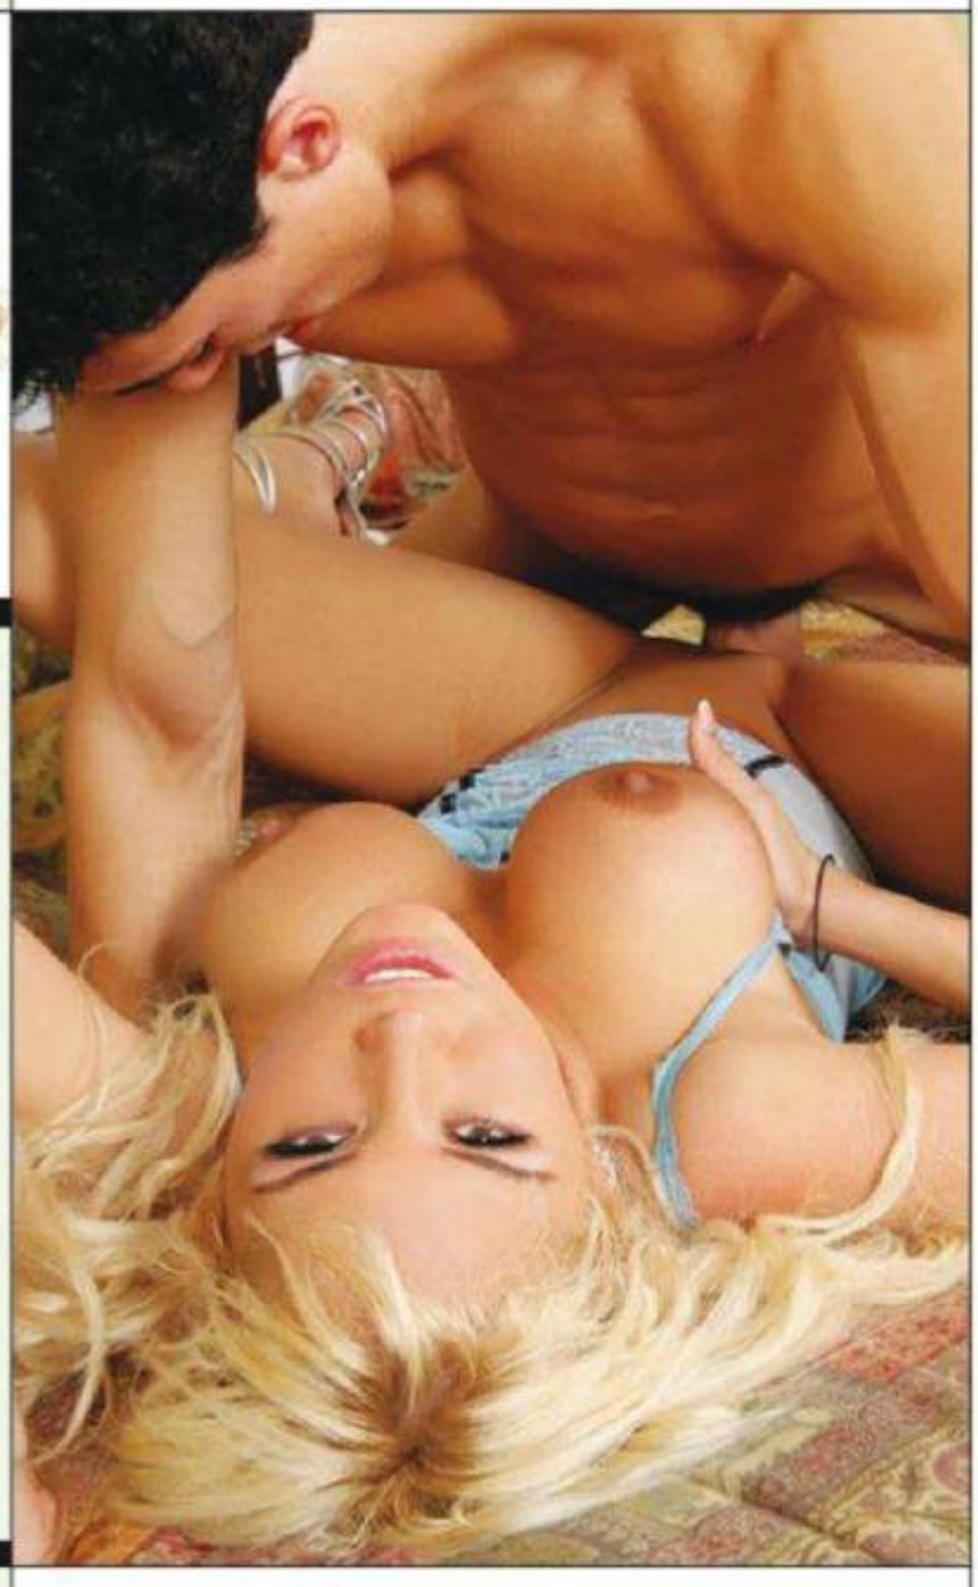
money?



MARY: *Awww, thanks for the sweet words of support, Pete! My political run in California was a great time in my life, and it was so exciting to be part of the U.S. Democratic system. It's funny you ask, because lately, I have received a number of phone calls from the media asking me to comment about whether I plan to run for political office again in two years. And to be honest, it's kind of taken me by surprise—it being two years away and all. But, you know, that may not such a bad idea, although this time around, I would want to run for something a lot bigger than governor—I am now thinking maybe about…Oops—I don't want to let the cat out of the bag! However, when I do decide what to run for, it will announced first in…* ***SWANK*** *of course, silly! Heehee! So, stay tuned!*

Obsessed With Sex

Mary! I have to fuck—I have to be sucked! All I want to do is fuck and be sucked! It's all I can think of! Shit! **Marc M., Carson City, Nevada**

MARY: *Marc, you are just going to have to get a girlfriend who has the same sex drive you have, and you should be just fine!*

What's Up?

What's up with all these phallic food things everyone is always sticking in some girl's mouth, pussy or ass? Celery, carrots and Swiss chard? What's up with that, really? I see it in porn movies, and magazines; I see chicks playing that shit out all over the place. What's up with that? Who are they kidding? That's where a cock should go, not some damn vegetable! What's up with that? **Carlos J., Ft. Worth, Texas**

MARY: *What's up with that, Carlos? It depends! I think the use of phallic symbols is mostly done for fun and giggles. I don't think most people actually get their rocks off having any type of sexual play with things that look like cocks, but of course, are not. On the other hand, there are a lot of kinky people out there, so perhaps some do use such culinary items carnally. However, I would not suggest it, and it can be dangerous. Cocks are pliable and move and bend when they have to, if you start jammed more rigid cock-like things into sensitive orifices, you could hurt yourself. So, enjoy the images of people doing such things, but don't try this at home!*

XXX Lesbos For Real Or Show?

My favorite kind of porn to watch—either in the movies, online or in ***SWANK***—is your girl/girl action. To me, nothing is prettier or hotter than watching two girls go at it hardcore! I like to see them: fingering each other's cunthole, licking each other's twats, deep throat kissing and using dildos on each other. Whatever they want to do to each other, I am down for! Down, I tell you! But, you know, I'm not a moron, so I always wonder if these girls are really into that same-sex stuff, or just doing it for money. Most of the lesbos I see around my town here, like guys, so I don't know if these cute ones are for real or not. You know the scoop Mary, so what's the bottom line? **Elliott A., Terra Haute, Indiana**

MARY: *You are very perceptive, Elliott, and you have asked for an honest answer and I am going to give you one. There is no question that a significant number of the gorgeous "10" hotties you see in magazines and movies that are getting it on, are not lesbians or even bisexual in their personal lives. They are—as the old adage goes—"gay-for-pay." With that said, in my own experience in the XXX biz, because the vast majority of the porners I starred in were girl/girl only—is that a lot of women who get into X-stuff, come in totally straight—and then find they like getting it on with women—at least on camera. Many find they can even orgasm with their same-sex mate with no problem. Yet, when they go back to their private lives, they are all cock—all the time. It's kind of on a case-by-case basis if you know what I mean. On the other hand, some of those pretty ladies are indeed real dykes or bisexual. But, you know what, Elliott? How much does it really all matter? If they look good—and they do it good—then…it's all good!*

Is it normal *Guys will fuck* **for me to** *anytime, anywhere, they* **have sex with lots of** *can't help it!* **girls?**

Say 'Hi!' To The PI!

I am totally sick and tired of trying to get laid in the USA. It's too much of a hassle, you know what I mean? All these chicks want is money, or to get married. I've told by friends that the best place for a horny guy to go live is in The Philippines—where there are tons of hot chicks that love sex without the bullshit. However, I am having trouble finding reliable information on the scene in The PI—not just the whole sex thing, but also about living conditions etc. Mary, you know more about the world sex scene than anyone alive. What do you know? **Ed S., San Yisidro, California**

MARY: *I know a lot of men who have visited and eventually moved to The PI because the cost of living is low, and everyone there likes to bang. They tell me the best website to start looking at as a guide is www.HarryTheHorse.com. This is written by an American guy who lives over there, is totally legitimate and writes monthly about the situation for going to The Philippines. Check it out Ed, and let me know what you think!*

"Want An Addiction? I'll Be Your A-dick-tion!"

It all started out when I was 19. I noticed when I was living with my nymphomaniac, single mother that sex made people really happy. She was always bopping around the house in the morning like little "Miss Betty Cocker" after a night of great sex. At that time, living at home, I was a starving university journalism student; and looking at the pancakes in front of me—syrup bottle in hand—I knew that sex one day was going to play a huge role in my happiness. And it has.

I felt like I was living in a catch-22 back then. Oh fuck, my life was the punch line in a twisted nightmare of my very own. I was freaked out by not being able to be self-reliant, while working two part-time waitress jobs. The only hand that reached out and put me on the right track was the sex industry. I saw the light at the end of the tunnel when sex became a financially stabilizing career in my life. I would have tried anything to keep out of debt and get off of my mom's lumpy couch.

For years, I saw the ads in the newspaper hiring young, hot girls for local massage parlors. I contacted the one closest to the college I was going to. I'll never forget the phone interview. The man on the other end grilled me with questions on my sexuality and what was I open to. He called me "Fresh Meat," since I had admitted that I had sex only three times ever. I heard him chuckle as he gave me a time to come in for an in-person interview with the owner.

I got dressed in what I thought was a cute, sleeveless, blue sundress. I jumped into my 1974 VW Bug, put on my favorite Grateful Dead tape, and headed to the address I was told to go to. When I pulled up, it looked like a hole-in-the-wall dive from the outside, but when I walked through the door, the first thing I noticed was a fancy lobby. A very tall man with gray hair came to the front and asked if he could help me. I explained who I was, and asked for ID. After he handed it back to me, he walked me through a long hallway until we got to the back of

"I get so turned on by being told what to do!"

I possess the innate ability to read any man perfectly!

the building with a roomful of chatty girls. I then filled out an application, and when I was done writing out that paperwork, he sent me to yet another brightly lit room, where the owner was waiting for me.

I opened the door and walked in. I was in a state of shock to see a naked woman lying in a tanning bed, who was speaking loudly over the hum of the bed. She asked me if I could hand her a towel—which I did—and she stepped out of the bed and introduced herself as Madam Snow. She told me to take off my clothes; then dry the lotion off her. I took off everything but my blue lacy panties, and I started dabbing her body by beginning with her back line, then down to her long legs. She was so golden tan, and her toes were done so detailed, that I couldn't help but get aroused. She was so beautiful that just toweling off her breasts made me want to kiss her skin to see how soft she was. I was so nervous, and as she looked me over, she must have found a muse, or a submissive to mold into a "switch." I handed her clothes over to her, and I stood and watched her wrap her long brown hair up into the gray towel. I felt like I was in a movie, as the whole thing was so sexually charged. As she dressed, she told me the rules to what she called "The Game," as well as the rules of the house. The Massage Parlor was, in fact, just another funny name for a brothel. She told me I was the girl-next-door type and that I would do well if I learned to work for her. She gave me permission to put my clothes back on, but ordered me to go home and think it all over, then call her in the morning. I thanked her for her time and left quickly!

On the drive home, all I could think about was how bizarre that interview was. It was such a turn on to be told what to do by such a sex goddess. Back at home, I tried to hide the excitement I was going through, that I had a helluva time sleeping on my mom's lumpy couch. I was so turned on and horny that I could not wait to call the madam back. I knew right then that I wanted to be an erotic service provider. It just made me tingle inside to feel attracted to the idea of having great, safe sex with new people. Finally, a fun job while I finished school. It just seemed like the smart choice. That morning, I was startled awake by another one of my mom's boy toys leaving and slamming the door at six a.m. Oh, I remember the sunshine blazing in the window that day. I was awake, and so horny—that I had to masturbate in the shower. I called later in the day after class. I clearly remember the day I found myself working in the adult industry, and I was so charmed by the fact that it was going to change every part of me as a human being—including my lifestyle. I still laugh at myself for almost not having the courage to show up for one of the coolest job interviews I have ever had. For years, I have dipped in and out of the adult business—from dancing, escorting, modeling, and now working legally at The *Love Ranch*.

Sex workers are hard working—
and they should be treated
as such!

Thanks to my time at the brothel, I realized that I am truly a unique and amazing woman in the bedroom. I possess the innate ability to read any man perfectly, and this lucrative attribute of my character makes men putty in my hands. I can read if they want the sultry, dominant, dangerous side. If they want the kinky, taboo edge, I can see it coming—and if they want the sweet, "innocent, I only love you," Girlfriend Experience (GFE)—then I have them nailed. I can be whatever they want me to be, which, therein, lies the key to success. This is what keeps them coming back—not just pleasing them sexually—but making them think I'm what they want. Some of them make me cum, others don't, but every man leaves my room—not to mention our time together—fully satisfied. Just knowing I'm pleasing so many of them, and that I get to have great, safe sex with new people—makes it all the greatest job ever.

And as a young woman, my new, red collar job became an outlet of joy for me. I find that working here at the *Love Ranch* gives me the opportunity to put my voice and positive point-of-view out there, so the public can hear that sex workers are hard-working humans—and they should be treated as such. Presently, we are in the days of history making changes. I know that one day, prostitution will be legal in the Untied States of America, and as a member of the Erotic Service Providers Union, (E.S.P.U.), I want us to gain respect as I do for all sex workers. Regarding our occupational, social, and economic rights, I want it to be a part of organized labor. By associating with organized labor—which is already aware of our common labor rights—we can access support for our rights to negotiate for our labor and work conditions. While working at the *Love Ranch*, I hope to be a part of this historical movement in changing history, and how other fellow Americans judge the oldest profession in the book.

Nothing can hold me back. Working at the *Love Ranch* has already changed my life. I must thank them for giving me a chance to shine and show-off my best assets. Please come in and visit my other girlfriends and I at the *Love Ranch*. If you pick me, make sure you mention your needs and desires, and I will try my best to accommodate you during our party.

Do not wait! Call me, and set up an appointment as soon as possible. Please add a pearl necklace to your party when you come in! I never thought that working would be so much fun! I get off pleasing people in so many ways. Each and every one of my parties have been guests who rebook with me again and again and again—due to how much fun we are having. One dose of me, and you'll be addicted. And that's the Josie Viper guarantee!

The best way for me to see Las Vegas is in my rear view mirror. I loathe the soulless town. It should have been the original A-bomb testing site...

"Our Past Is Present"

Its slot machines and gambling tables provide herds of coin depositing, chip shuffling zombies a way to play Russian roulette with their hopes and dreams.

In 2010, *Juliet (Aunt* we said *Peg) Anderson* goodbye to *(left) and Erica* two XXX *Boyer (right)* legends

But since 1994—because I am duty bound to adhere to my sentiment: "There is no future if in the present we fail to pay homage to the past"—I drive the 300 miles of virtual desolation (and that includes Baker's grotesque thermometer and the lingering temptation to turn down ZZYZX Road) from Los Angeles to participate in a ceremony at Showgirl Video (631 South Las Vegas Blvd.) called *The Legends of Erotica*.

The event takes place during the annual X-rated industry convention and (www.AdultEntertainmentExpo) provides a certain amount of time and location maximization.

Co-conceived by Showgirl's owner, Raymond Pistol, the affair was pressed into action the year after I got arrested in Las Vegas for participating in what would become known as "The Pure Pleasure Bust." Although I was essentially innocent, I was eventually convicted. But that's another story, for another column.

And so it was that Pistol—who, in fact, bailed me out and eventually wound up paying my fine for the 1993 fiasco—being fully aware of my sincere concern for the preservation of the history of XXX—suggested that we establish a Hall of Fame in his store.

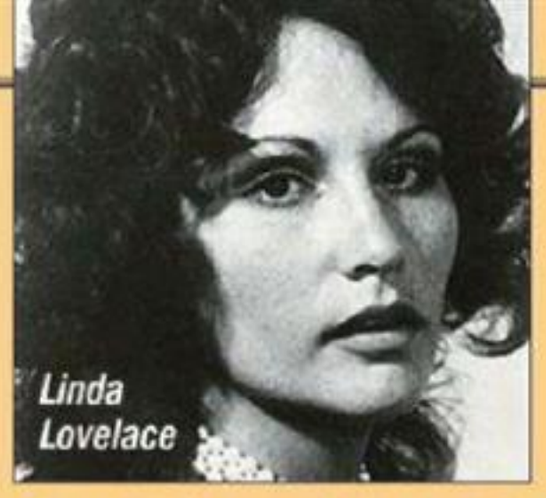
As played out over the ensuing years before audiences of adoring and attentive fans, the event has become an annual evening of such erotic reverence, that it once prompted me to say, "You could hear a pubic hair hitting the floor." Or—as I appropriately noted while I was inducting the late Linda Lovelace in 2003—"Only the sound of a cash register ringing up a sale."

The decision to discuss *The Legends of Erotica* at this point in my "Those Were The Lays" series, was compounded painfully by the early 2010 deaths of Juliet ("Aunt Peg") Anderson (inducted in 1996) and Erica Boyer (inducted in 1998).

However, what really ignited this column was that at the very moment that I was on stage honoring the Class of 2010 which included: Cleopatra of the Nile, Roxanne Hall, Kylie Ireland, Joanna Storm, Peter North as well as the posthumous acknowledge of Shauna Grant—with a special tribute to Marilyn Chambers (who was inducted in 1997 and passed away in 2009—see my Oct. 2009 "Lays" piece)—was that the audience included at least two sets of interested parties desirous of creating serious projects based on X's highly

entertaining past. The first—still in its early stages of formation—was going to be a documentary and eventually a book, based on the life of Marilyn Chambers. The second, with a projected New York City opening date (hopefully within in the first half of 2010), is a play called "The Deep Throat Sex Scandal" (www.deepthroattheplay.com). Focusing on Harry

E were the LAYS



By William Margold

Reems being "An innocent victim of society's guilty pleasures." David Bertolino's creation is a demanding look at the era when X-rated films were considered to be "Porno Chic."

Compounding these factions, I have been contacted by an erotic film fan that would like to photographically honor—as they were and as they are now—a very select group of adult actresses. My title for this supremely tasteful project will be "Sinema's Sirens." And with the recent passing of Anderson and Boyer, plus, of course, Chambers—the project becomes even more time sensitive.

It's also quite obvious that there is quite an interest in the early days of X within the past couple of years. Books have been released about John C. Holmes (*A Life Measured In Inches*) and Eric Edwards (*Dorothy from Kansas Meets The Wizard Of X*) plus Georgina Spelvin's, *The Devil Made Me Do It*. (www.GeorginasWorld.com).

Eric Edward's acknowledgement here also brings up a remarkable situation that would allow the always gracious gentleman—who entered into the adult industry in the late 1960's—to become the only "Six Decade (Dick) Man" in the history of X, if he were able to perform a hardcore scene in this decade. In fact, I have tossed down the gauntlet to any current adult actress who would like to insure her status as a future possible "legend" by setting into motion a production called *Histor-Ass* wherein she would take on—not only Mr. Edwards—but also as many other adult actors who began their careers in the Seventies who were up to it, thus making them all "Five Decade Dicks" at one time.

Of course, this would include Jamie Gillis, John Leslie, Ron Jeremy, Herschel Savage, Joey Silvera, Paul Thomas, Randy West, and quite excitingly—myself.

Now, before I continue trying to meld the past into the present, I would be tragically negligent if I didn't salute 1974's, *Sinema* (by Kenneth Turan and Stephen Zito), which I have used as my own textbook when wanting to learn more about those who came before I showed up on the skin screen scene in 1972.

I would also be equally negligent if I missed a chance to pay homage to all those who have been inducted into *The Legends of Erotica*.

It's fairly obvious that there is quite an interest in the early days of X within the past couple of years

However, my own *The Legends of Erotica* induction in 1998 came as a total surprise. And for one of the rare moments in my life, I was absolutely speechless. Then, I regained my emotional balance and humbly uttered something about how, in fact, I deserved the honor, while I tried to figure out what to inscribe in the cement block. Finally, after leaving my handprints for posterity, I came up with "Live Long and Lustful!" utilizing the silver bear that I've worn around my neck since Viper gave it to me in December 1986, to dot the letter that needed to be. Struggling to stand up and graciously accept the heartfelt appreciation of the crowd, I was warmly welcomed into *The Legends of Erotica* first by Jeanna Fine, and then by Erica Boyer—who both kissed and hugged me so effectively that they ignited all sorts of masturbatory images as they ground their groins into mine—triggering the expected physical reaction, and in the process—causing me to be released from their embraces breathless, overheated, and in a state of temporary sexual frustration. Thankfully though, I had linked up with a happy young lady from the mid-west that year in Las Vegas named Lisa, who simply came out to the convention, "For the fun of it!" Although I had really intended to keep our relationship platonic (even to the extent that there were two beds in our room), she apparently sensed that I would sleep better after my induction if she finished what Jeanna Fine and Erica Boyer had started. It was after two a.m. when we finally got back to The Somerset House—an off-the-strip "frills-free" motel. "Why don't you go take a shower?" She said, as she started to strip down to her bra and panties, which were her normal sleeping attire.

While our relationship up to that point had been platonic, the lanky brunette and I weren't shy about taking our clothes off in front of each other. Suspecting very little as I stood under the soothing hot spray, I naturally started to soap up my genitals. At that moment, Lisa—obviously sans her bra and panties—casually joined me. Calmly brushing my hands away, she quickly let her intentions be known. "This won't take long if you don't try and resist the urge," She said as she worked my cock up. She felt my balls grow heavier in her other hand and knew that I was close. Of course, I wasn't in any position to mention anything about remaining platonic. Spinning around, she bent over and quickly guided me into her fur-fringed sexual center. I felt her vaginal canal heat up and then throb. She eased back into me and started fingering at the bloated base of my balls. My grunt of pleasure coincided with my explosion of pent-up lust deep inside of her. After we subsided, she turned around, smiled and said; "Now you'll sleep better." Then she kissed me, adding, "And we can play some more in the morning." And we did.

For the record, the un-inducted "Dazzling/Decadent Dozen" from *The Legends of Erotica* playing card deck are Tracey Adams, Lesllie Bovee, Desiree Cousteau, Barbara Dare, Lisa Deleeuw, Ashlyn Gere, Mike Horner, Constance Money, Harry Reems, Rocco Siffredi, Jesie St. James and Marc Wallice.

Horner will be inducted in 2011. It is hoped that Ms. Dare will join him. Tracey Adams is aware of a standing invitation for her to take her proper place among her fellow *Legends*. Also aware of "Open invitations" are Harry Reems and Rocco Siffredi. The whereabouts of Lesllie Bovee, Desiree Cousteau, Ashlyn Gere, Constance Money (in fact, just days before I wrote this column, I was contacted by a gentleman desirous of locating her, so he could include her remembrances about working with director, Radley [Henri Paris] Metzger during the making of 1976's, *The Opening of Misty Beethoven*—which is considered by many Erotic Sinematologists to be the "Best X-Rated Film of All-Time"), and Jesie St. James are unknown. Lisa Deleeuw passed away many years ago and she will be inducted posthumously in 2012, as will the long overdue Marc Wallice—in what will be part of a Showgirl Video *The Legends of Erotica* evening that I'm already calling "X-Squared—40 Years of Heat!"

That is, of course, I don't turn down ZZYZX Road—or Baker's thermometer doesn't fall on me.

Yet, then "Those" are some of the risks inherent with paying homage to the past during my present pursuit of the "Lays."

Porn stud turned Director of Manufacturing for Magna Publishing is our one and only Arnold Held. Well, Arnold may not have really been a "porn stud" back in 1988, but he was certainly a handsome devil. In fact, porn legend Gloria Leonard commented after this photo was taken that she was wearing those gigantic sunglasses to keep from falling victim to Arnold's legendary "Gaze de Romantica".

ADRIENNE & CAPRI

Your eyes are not deceiving you. That cutie licking Adrienne's pussy is none other than Capri Anderson, the lovely

little porn star who was out and about with Charlie Sheen that fateful night back in October. Charlie definitely has good taste in women, and although it's hard to discern whether Charlie ever managed to get any of that sweet ass, he sure had his beer goggles in focus.

REALITY CHECK

Even For Mega-Stud Ron Jeremy—Sometimes One Fuck, Really Stands Out!!!

Hiya, everybody! What's the good word toooooo-day? Fantastic, I'm sure, because this is *SWANK*-time, you horndogs! Just like it is every month at this time! *SWANK* rules! And I don't know about you, but this one of the most exciting and fun things I have to look forward to, I'll tell you that! So, I hope's it's just as good for you as well! What's up this month? In addition to our dicks, of course, as soon as you look through these pages? Well, have I got something to tell you about this column; since it kind of knocked me off my game, and after all these decades in the XXX-biz, that rarely happens anymore, so let me start from the beginning, dudes!

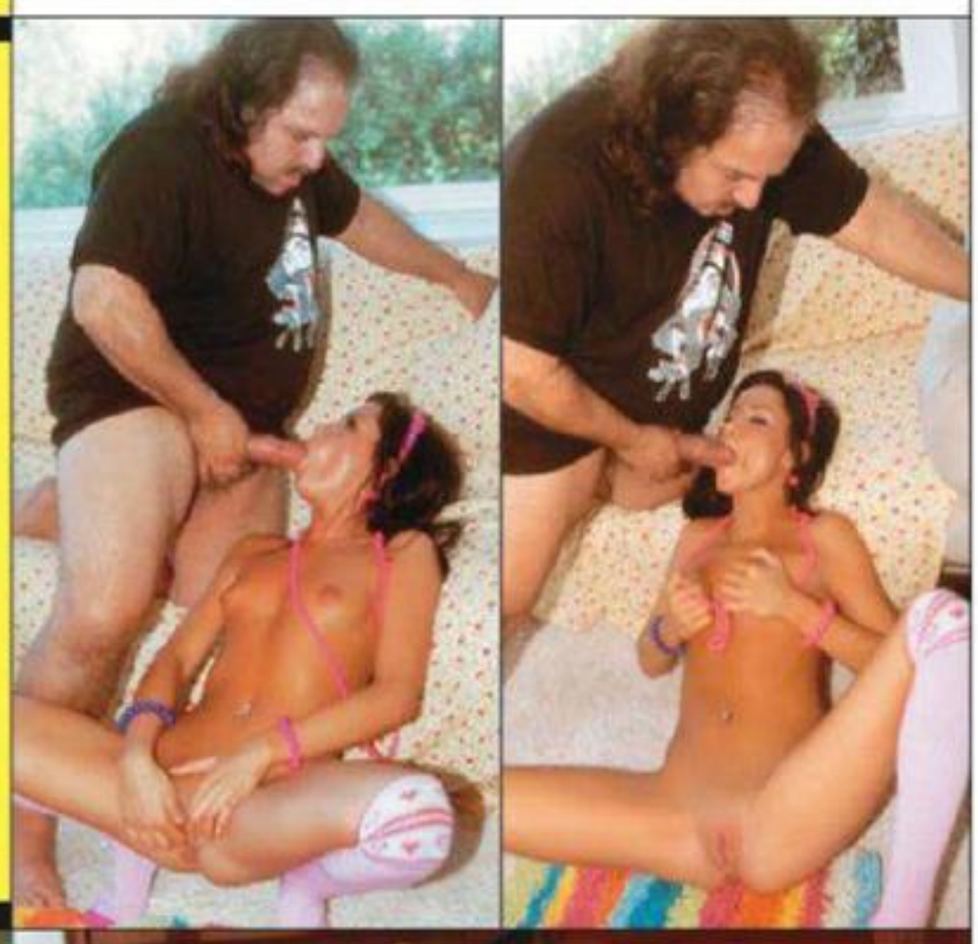
"Tanner Mayes—One of My Better Lays In Years!!!"

Text by Ron Jeremy
Photos by Marc Medoff/Adult Press Service

Everyone knows I have banged thousands of girls. I stopped counting years ago at around 5,000 or so. I mean, at some point, enough is enough—counting, I mean—not sex! The sex I still want, no matter what! And hey, between all the porn stars, strippers, legal hookers and just regular civilians that want to kick it—it's always happening in one form or another. Am I jaded? People ask me that all the time. *All the time*! And you know what? I don't think so. And I think that's what helped me become such a successful porn star all this time. I always have an eye—and a hard-on—for the ladies! But, to be honest, after so many sucks, fucks and bangs—sure, many do tend to blend into each other, and after time, with so many screws–less and less stand out as exceptional. However, when I do run into a ramming that turns out to be special; Man, is it special! And does it stand out! That's exactly what happened recently, when I was hired to do a hardcore sex scene with a young lady named Tanner Mayes. Oh my god! Dudes, this was one of the best humps I have had in years. *Years*, I tell you! So, let me tell you all about it!

It was a super-hardcore scene that was being shot for a website called *www.Jurassiccock.com*—a company that I tend to work for somewhat regularly. For those of you who don't know much about it, this is one of the best porn/sex sites out there, specializing in sex between older guys and younger girls—all 18 years-of-age or older, of course. In fact, they call it: "Young Teens Love Old Men—Older Than Dinosaurs!" Hey, I resent that remark! In any case, I was booked to arrive early one morning at this large, gorgeous house in the Hollywood Hills—a ritzy area in Los Angeles. Many wealthy people in L.A. rent out their homes to porn production companies, so being a porn actor means you spend a lot of time in million-dollar mansions getting laid. Not too shabby. So, I show up there—only knowing I was going to have sex with some young babe for the site, but

Tanner's not acting when she fucks—this girl is a real deal nymphomaniac!



We must have banged for nearly two hours!

nothing more—which is typical in porn casting. However, when I first met Tanner in the home's spacious living room—wow, I was stunned to say the least!

Tanner was so young, so cute, and so apparently horny—even for an old guy like me! We hung out and chatted a while waiting for the camera crew and lighting technicians to get all their equipment in place, while I was starting to nurse a raging hard-on! Yup! Just standing there with this cutesy, barely-legal dark-haired beauty, I was starting to get incredibly aroused! The more we spoke, the more turned on I became! She was just so adorable, friendly, and genuine! I know it was my dick speaking, but it was like I was falling in love!

You know, there are so many new X-rated performers these days, I can never keep track of one from the other sometimes, but this was a babe! So, who was this chick? Tanner is actually one of the X-biz's rising young starlets who got her start in the sucks-for-bucks business like, three seconds after her 18th birthday down in Florida. Originally from Michigan, of Costa Rican descent—the all-natural 34-26-34—Tanner quickly moved to L.A., where to

date, she has cranked out more than 100 paid-sex gigs, really playing up both the young girl and cock-sucking angle. Her starring titles such as *My Teen Swallows*, *Naughty School Girls 52*, and *Teenage Babysitters*, have inspired countless orgasms. And if Tanner sticks with it, she can really blossom into a major star some day.

However, personality is one thing—knowing how to fuck and suck well is another! So, when started the scene, I really liked Tanner, but had no idea what was going to come next! The set-up for the sex was simple—my friend and I are hanging out shooting the breeze, while I am playing the harmonica. Tanner comes over and wants to learn how to play the piano, and in minutes, she is doing a striptease for me! What a fuckin' bod, too! Incredible ass! Fantastic tits! Perfect hips! A total piece of ass! Unreal!

So far, so good! Great personality! Great figure! Now all we had to see was the sexing! And…she blew my mind! Tanner was on my cock with every part of her body from her nose—to her toes—to her pussy—to her mouth—and back again! This babe sure does know how to fuck! I couldn't even keep

XXX REALITY CHECK

up with her! Me, a veteran! The two of us were sucking and fucking—and fucking and sucking! The cameras were blasting away, and the production crew was scurrying around all over the place! Tanner's not acting when she fucks—this girl is a real deal nymphomaniac! She had me rolling from one end of the room to the other! She kissed great, too, and her pussy was super-tight! Her tits were the sweetest to suck on, and her butt was the best to grab and fondle! I was going out of my mind I tell you—out of my mind!

As the cameras rolled, we must have banged for nearly two hours, but she was turning my brain into such liquid goo, it seem like it went by in minutes. Before I knew it, I was blowing one of my biggest loads ever onto her pretty face! I nearly passed out from the experience when it was all over. Yes, indeed—it was that damn good!

As for Tanner, she is a gal of action, but her parting words to me as she showered and left the set was classic: "Ron, I really loved your old cock!" What a sweetie!

There you go! One of the most awesome fucks I've had in years! Tanner is the best, guys! Buy her videos, and check her out on her various sites such as: http://twitter.com/TannahMontannah, http://twitter.com/TanneraMayesing, http://www.facebook.com/pages/Tanner-Mayes/213474998976, http://www.myspace.com/TanneraMayesing

And if you ever get the chance to meet and do Tanner yourself, don't hesitate! Not for a second!

One last word before I go, about the producers over at *www.Jurassiccock.com*, who made this all possible, they would like to invite every reader of ***SWANK*** to check them out. They have profiled a zillion girls in the older-guy/younger girl scenario, including the likes of: Mia Lina, Missy Stone, Emy, Jaelyn Fox, Madison Scott, Laci Laine, Kelly Skyline, Elli Foxx, Cameron Love, Ashli Orion, Parker Page, Janie Jones, Lexi Diamond, Jesse Jordan, Eve Evans, Jenny Anderson, AJ Estrada, Jessie Andrews, Tasia Banx, Sasha Yung, Ally Styles, Ivy Winters, Tia Cyrus, Chastity Lynn, Tessa Taylor, Rebecca Blue, Jennifer White, Ruby Reyes, Addison Cain, Kenna Kane, Kacey Jordan, Isis Taylor, Jessica Valentino, Isis Love, Lindy Lane, Cali Lee, Ally Ann, Lana Violet, Britney Amber, Cheyenne Cooper, Natalia Rossi, Kitty Bella, Amia Moretti, Angel Jay, Danni Cole, Missy Lou, London Keyes, Nicole Ray and so many more.

They are not shy about what the attraction is here, either. According to the site's producer: "These little whores love to feel old, wrinkled balls slapping again their chins when sucking on those huge, old dinosaur cocks! Our senior perverts are ready to do anything to get a taste of 18-year-old pussy before they kick the bucket. This might be the last time they ever get laid! And we're letting them get nasty with some of the youngest pussy available on the market. That's the kind of sex that makes the whole planet think Grandpa has gone crazy!"

And on that ultra-perverted note, I want to thank Tanner, the scene's producer and everyone else that let me enjoy a sexual encounter that I will never, ever forget! See you again next month in ***SWANK***! I love you, Tanner Mayes!

I blew one of my biggest loads ever onto her pretty face!

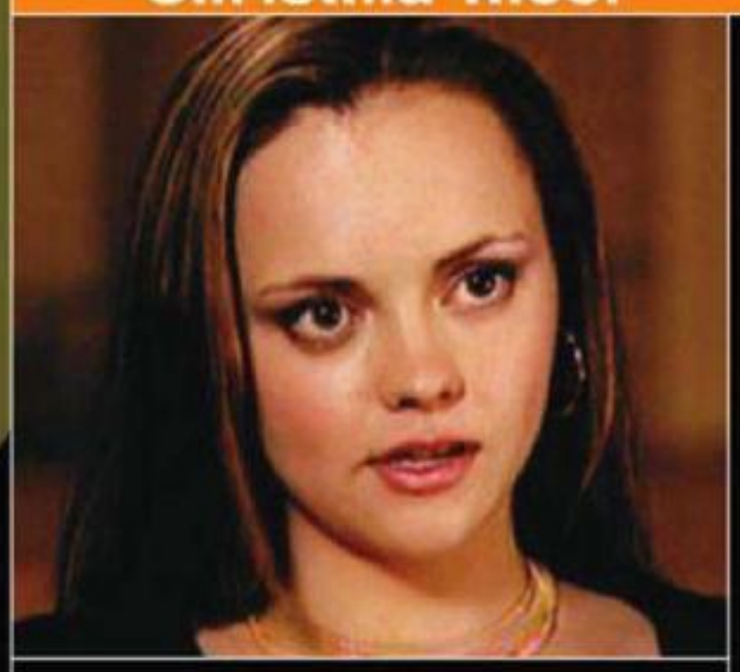
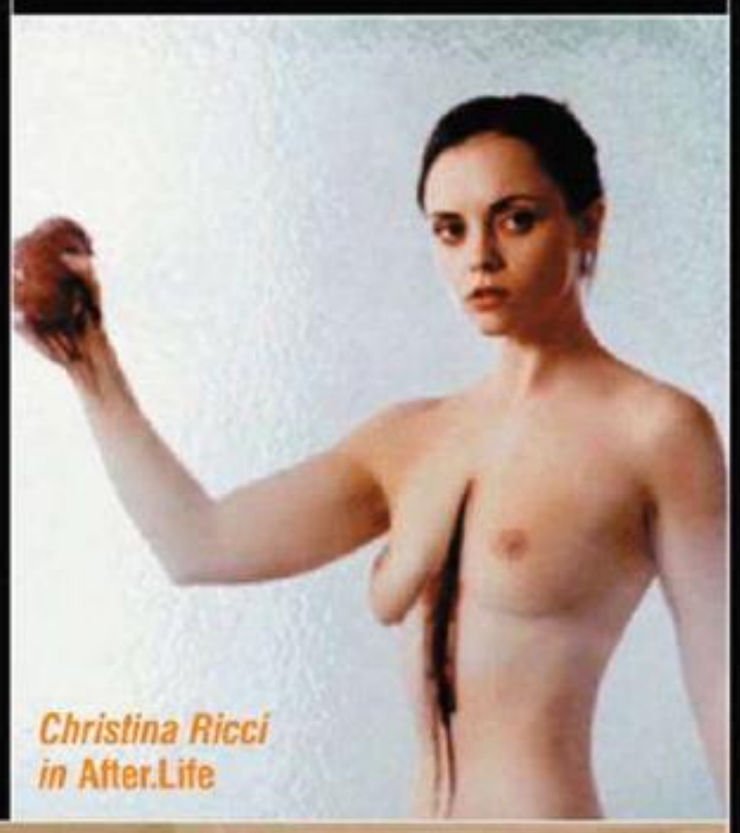
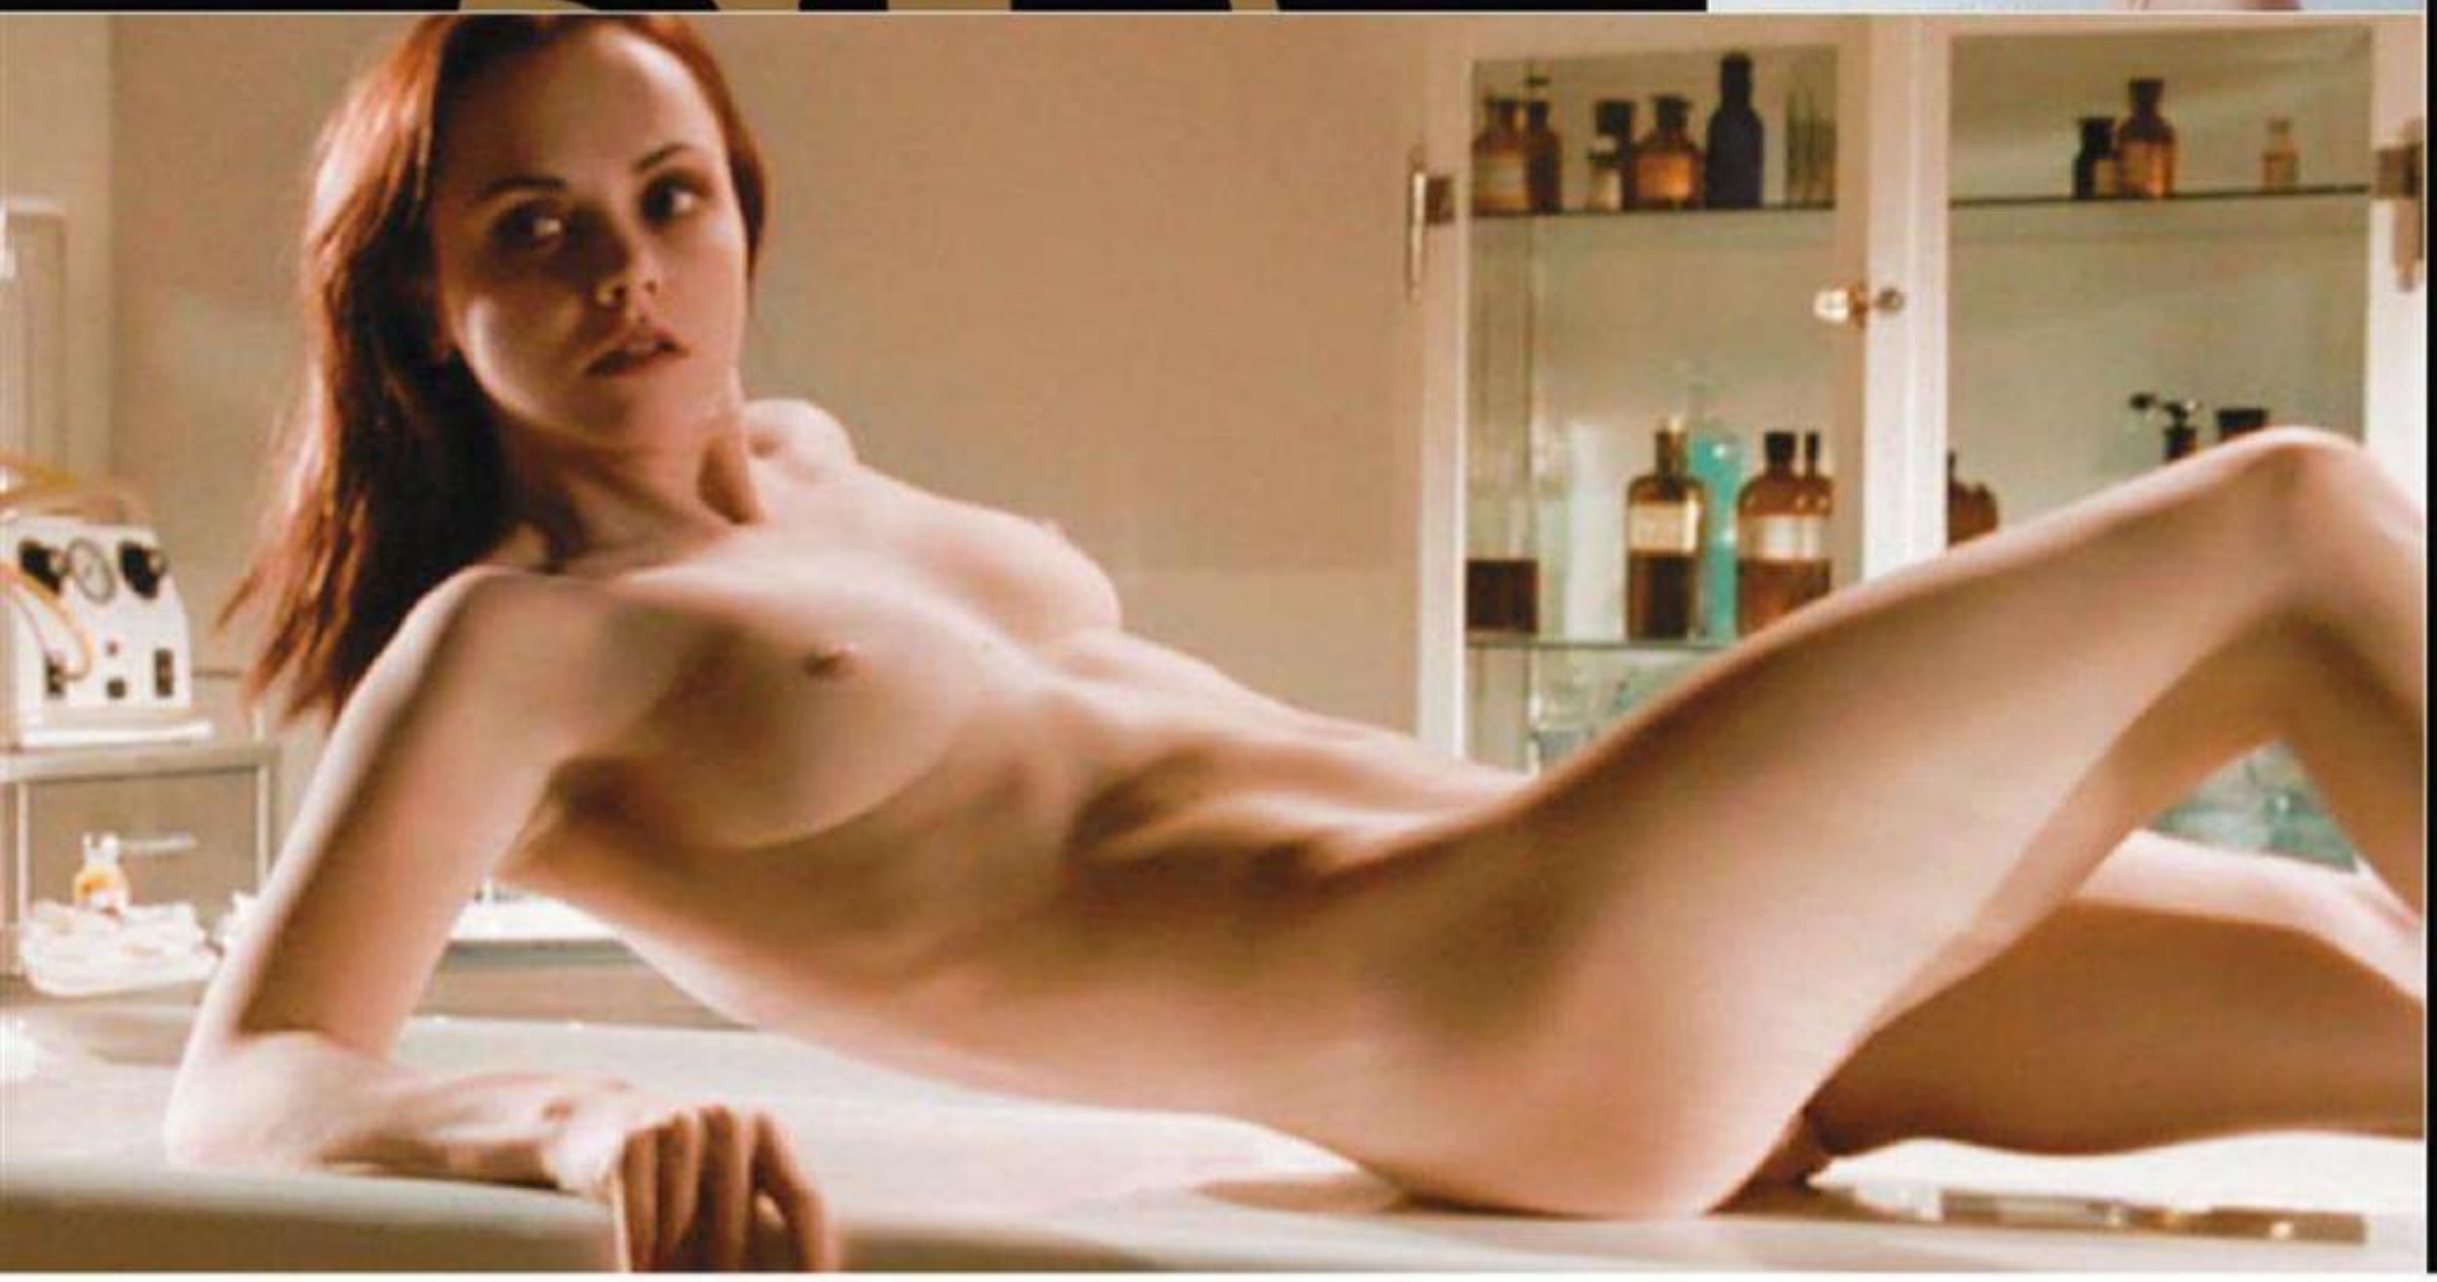
Christina Ricci



Child star turned stroke queen, Christina Ricci, began her tenure as an actress with roles in family-friendly flicks such as *The Addams Family* (1991), *Addams Family Values* (1993), *Casper*



Christina Ricci in After.Life



(1995), and *That Darn Cat* (1997). By the late '90s, Christina had begun receiving major acting kudos for her roles in *The Ice Storm* (1997) and *The Opposite of Sex* (1998). Upon entering adulthood, the Montclair, NJ native also began getting applause for her button-busting D-Cup rack. Appearances in John Waters', *Pecker* (1998), and *Sleepy Hollow* (1999)—first got cine-pervs interested in what was going on beneath her blouse.

Thankfully, our curiosities were answered in 2001 when Christina went au-naturale in *Prozac Nation*. The scene is at the front end of the movie and the well-endowed Goth chick sat still for a long shot of her naked tits and a quick peek at her puffy muff.

Christina's buoys resurfaced five years late in *Black Snake Moan* (2006) in a slew of sex scenes including a naked all-star bang with Justin Timberlake. The 5'1" hottie hit the naked celebrity trifecta in 2009 with *After Life*. The dark drama—co-starring Liam Neeson—is filled to the brim with Christina's tits and ass, making this flick the obvious choice if you had to pick a heavy-hitting jerk off session of Ms. Ricci's acting skills.

Alison Lohman

This eclectic beauty got her feet wet in showbiz as a teen actress appearing in such adolescent dramas as "7th Heaven." From there, she scored roles in a series of bizarre sci-fi B-productions, like *The Thirteenth Floor* (1999) and *Kraa! The Seamonster* (1998). By the start of the new millennium, things began looking up for the Palm Springs native; and in 2002, Alison struck gold by landing the starring role in the film adaptation of the Jane Finch novel, *White Oleander.* She then followed up with an impressive part in the star-studded cast of *Big Fish* (2003) and then continued her acting career with a series of roles in movies that spread across a wide range of genres including: *Matchstick Men* (2003), *Flicka* (2006), *Beowolf* (2007), *Gamer* (2009) and the schlocky horror picture show, *Drag Me To Hell* (2009).

Considering the list of B-movies she's done, you'd think that Alison's screen nudity work would be plentiful. Unfortunately, that's not the case. However, those looking to jerk off to this ample-boobed blonde have *Where The Truth Lies* (2005) to hang their hats on. Alison's cans make themselves known in a couple of scenes—including a hot blonde-on-blonde lesbian blowout that produces a happy ending long before the closing credits roll.

Alexa Davalos

Born and raised in France, Alexa Davalos left home at 17 to pursue a modeling career in New York City. Soon after, she set her sights on acting and—after landing some minor roles at the turn of the century—Alexa got her first big break with the 2004 release of the Vin Diesel vehicle, *The Chronicles of Riddick*, where she played the role of Kyra. In 2007, she appeared in the Steven King thriller, *The Mist*, and received praise for her work in the 2008 WWII-era flick, *Defiance*. Alexa's most celebrated role thus far came in the blockbuster remake of the 1981 hit, *Clash of the Titans*. Davalos performed in the role of Andromeda, with the movie being ranked among the top ten highest grossing motion pictures worldwide in 2010.

While *Feast of Love* (2007) is perhaps one of the least successful of her movies, the cast included such major players as Greg Kinnear and Morgan Freeman. What went unnoticed by the majority of the movie-going population were some great dramatic performances by the principles—along with some hot nudity from Alexa. The Euro-hottie bares her all in a number of bedroom scenes—one in particular where Alexa stands before the camera totally nude. This scene, in a sense, is one where we can pull our dongs to her perky cans, not to mention her full, brown bush.

Take care, and keep on strokin' to the movies!

The Feast of Love Euro-hottie *(2007) featured* bares her *some great* all in a *performances—* number of *along with some* hot *hot nudity from* bedroom *Alexa!* scenes

crack ends with Ms. Ray's balloons glistening with streams of pool water and semen.

Alexis Ford, Amia, and teen whore—Gracie Glam—slap peaches on a trampoline in a very steamy lesbian affair. The girls lick and finger each other into an orgasmic seizure as the ladies prove that you don't need to have a hard cock in the scene for the action to be hardcore.—*Johnson P. Puller*

There something about sitting in your mom's basement with your pants at your ankles, stroking your dick to girls in cheerleader gear that brings up one question: "Where did they go wrong in life?" However, rather than curse the darkness, I chose to just enjoy Adam & Eve's perverted fare, and put self examination off for another day.

Kayden Kross is the main attraction in the flick, and we get two

Both scenes place Kayden in the hands of an experienced cock-slinger (Tommy Gunn and Randy Spears) and her chemistry with these tested vets puts Kayden's scenes at the head of the class.

We also get two looks at Addison Cain—first in a hot masturbation scene, and later we catch her getting poked in the great outdoors.

The theme of hot girls in detention is always fertile soil for movies that are designed to titillate and tap into men's darkest fantasies. So, long before shooting ever began on this flick, insiders were talking about how *The Condemned* was going to be Vivid's blue chip DVD for 2010. Vivid put it all on the line with this two-disc masterpiece, and the result is a gritty action/fuck movie that just might be the adult entertainment movie of the year.

Nikki Jayne had already established herself as a dynamic temptress who will take the dong in any hole—anytime the camera is recording. With the release of *The Condemned*, the British sensation opens the door to a new chapter in her career by delivering a compelling performance, and proving herself a very capable actress who can also put your jerking arm in a sling.

The scenes switch between hardcore depictions of knuckle busting prison anarchy and bang sessions starring a harem or porn's most cock-needy nymphs. Kimberly Kane and Heidi Mayne are a perfect pairing to get tooled by the same cock, and Faye Reagan never looked hotter than she does during her unplanned "conjugal" visit. Kagney Linn Karter continues to show the world that her fantastic rookie year was no fluke, and With each new scene, Karter progresses as a fuck biz performer with no intentions of letting up on a career that is all up in the fast lane.

Everyone attached to this movie is going to get a serious bump in their star status, and anyone who sees *The Condemned* is assured to get a serious bump in their "special" place.—*Rollie Fingerfuck*

Jana Jordan & Madelyn Marie

If you are like me you believe that you can never have enough sex-starved girls in the cast of a porno, and for chapter 19 of the *Her First Lesbian Sex* series, Pink Visual stacked the deck with scorching slit lickers to insure maximum stroke value to what is easily one of the hottest all-girl fuck flicks on the year.

Sultry tacos are tempted and torched with a wide variety of dildos and vibrators as well as with some good old fashion fingerbanging and cunnilingus in two-girl and three-girl set-ups.

Sammie picks up Alexa on the street and talks her back to her place. No sooner are Alexa's clothes on the floor before Sammie is munching at her box and securing hard, rubber manhood to her crotch to give young Alexa the fucking she so badly wants and deserves.

Lisa, Carli and Brooke's slumber party turns into three-way twat exploration. These girls take a more gentle and sensual approach than the preceding hardcore boff, and the tight shots of imitation pecker being plugged into shaved poonani offers a view that makes you feel like you can almost smell the girl cream as it seeps from each sopping cave.

The following three-way girl gropes stars Nika, Kina and Celeste, who meet "by chance" in the park and decide to get reacquainted by heading indoors and letting each girl submit to the voracious tongues of the other two.

The final pairing of lusty lesbos are Jana and Madelyn, who dive head first into their lovers' fuck holes and don't come up for air until each has been driven over the edge into orgasmic euphoria.—*Cole March*

KINK FOR THE GIRL...

Speaking of Brick, I wonder if I created a Frankenstein monster! I told him I wanted him to get a little kinkier and, well, he has! In spades! He was looking through the Cal Exotics catalog, and he decided that he wants to watch me have sex with another girl while I'm wearing Sophia's Red Rider strap-on harness! I mean, I've had some experiences with other girls, but this would take it to a whole other level. The catalog says it's their most popular harness, with a waist that adjusts to as much as 52 inches— not that I need that much, unless I don't cut back on the ice cream! It comes with a removable, slender and curved "dong" that measures seven inches long, but you can fit many other toys in there. It even has a convenient pocket for extra vibrating items that you might "Bring to the table," as the phrase goes! I have to admit, this thing will look pretty cool on my crotch! I love the red-and-black design, and that it's padded for comfort. You can get one for your kinky girlfriend's crotch at the "Virtual Sex Toys" section of *www.calexotics.com*.

...AND KINK FOR THE GUY!

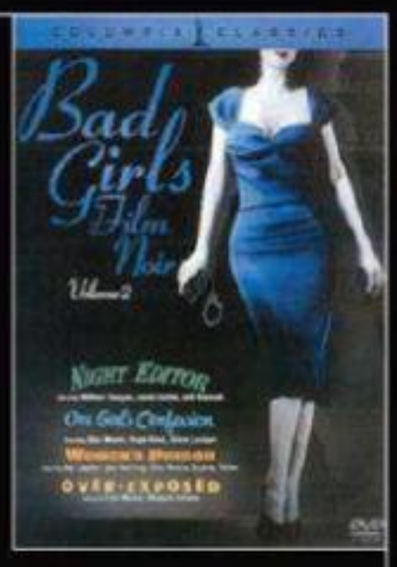
Well, if Brick wants me to get wild, I want to see him do the same. He likes anime, so I'm going to get him a Kawai Rime Kneeling Love Doll with Masturbator. It's actually full-sized with huge boobs, made of PVC, with arms that can give Brick a hug (this I want to see!), and a perfectly located "love passage" for the tight masturbator made of TPR material. My plan is to have Brick in the embrace of Kawai Rime while I'm on the bed doing a cute girl with my Red Rider harness! I'm going to have to capture the whole scene on video, too. I just hope I have a wide enough angle lens because there's going to be a whole lot of loving' going on! Look for your Kneeling Love Doll in the Anime section at *www.calexotics.com*.

BLAZING THRILLS FROM A MASTER ARTIST!

Norman Saunders (1907-1989) was one of America's greatest illustrators, practicing his art in genres such as the action-packed pulp fiction magazines of the 30's through the 50's, the men's adventure magazines of the 60s, and the wild trading card sets and humorous sticker packs of the 60's and 70's. He was the artist responsible for the indelibly delirious visions of ruthless alien conquest in the notorious "Mars Attacks" cards of 1962, as well as the laugh-out-loud satire of the sensational "Wacky Packs" of the 70s. This truly amazing coffee table art book, written by his son, David Saunders, (who is a terrific artist in his own right) showcases Norman's work from its earliest beginnings in his teens, when he sketched the rugged farm life of the Midwest into which he was born, through his life as a freelance artist in New York, his experiences in China during World War II—and right up until his death in 1989. As a result of an injury and subsequent infection, Saunders was blind for a time in his childhood, and thanks to a kind nurse who read him the iconoclastic work of Mark Twain while his eyes were still bandaged, he seems to have developed both an irreverent view of life, as well as a gift of visualizing imagery and narrative in his head. Both qualities came in handy as he perfected his distinctive dramatic style as a painter of dynamic thrill-packed covers for such magazines as *Saucy Movie Tales*, *10-Story Detective*, and *Man's Story*. Saunders loved to paint—he racked up an

A lot of cool STUFF comes through our offices every month and we feel it's our duty to let you in on some this hip swagg. Whether it's the hottest new sex toy to hit the shelves, the coolest book to hit the stands or the wackiest product to be invented, you'll find your first look at it here!

SAY HELLO TO CLEO



The title of this great DVD collection is incorrect. It should actually be: *Cleo Moore, Bad Girl of Film Noir*. The busty, and down-to-earth, Cleo—a favorite of film buffs in the know—stars in three of the films in *Bad Girls of Film Noir Volume 2*, and oddly enough, in the fourth film, she doesn't appear. There's a school pennant on a wall that at first glance that looks like it says, "Cleo Moore!" On closer examination it actually reads, "Glen Moor," which is close enough to make it a strange coincidence.

Cleo was a feisty, curvy blonde, usually playing characters from the wrong side of the tracks that kept hearts of gold under their pointy 1950s bras. You can find her in this two-disc set in *Over-Exposed*, which is about a dame's career as a nightclub photographer, as well as *One Girl's Confession*, about a gal who steals money, hides it, willingly goes to prison, and plans on living big on the dough when she gets out, and *Women's Prison*, in which she plays the supporting role of a good-hearted female con. She also stars in a 1954 half-hour tv episode included here called "Remember to Live," portraying a flashy artist's model taking advantage of a bitter war veteran. In short, this is mostly a Cleo Moore box set, and if you want to discover one of the unjustly forgotten hotties of '50s flicks, it's a great introduction. The fourth suspenseful film in the set, *Night Editor*, stars another even more obscure noir vamp named Janis Carter, who plays a beautiful psycho who leads a cop into deceit and corruption. This is a lot of solid "bad girl" entertainment for a double sawbuck! Go to *www.columbia-classics.com*, or look for it on Amazon. Tell 'em **SWANK** sent ya!

SPICY THRILLS

We live in tamer times, if you judge by the covers that used to grace newsstand pulp magazines in the 1930s but which today would bring down the wrath of everybody from freaked-out feminists to moralistic politicians. Long before they gave the world the family-friendly heroes Superman and Batman, the publishers who eventually evolved into the media goliath D.C. Comics served up magazines like Spicy Mystery, Spicy Western, and Spicy Detective Stories, packed with suspenseful tales of action and menace. They were at their spiciest with covers created by the master artist H.J. Ward (1909-1945), who worked for them as well as other publishers. Ward also got the assignment of creating the first full-length oil painting of Superman for the comic's publisher Harry Donenfeld, and Ward modeled the hero's face and form after his brother-in-law. Ward also created the iconic images for characters like The Lone Ranger and the Green Hornet.

Illustration is a contemporary publication devoted to the history of commercial art, and one of the most beautifully produced magazines around today. It's more like a book in its conception, and a bargain at $15 per copy. Issue #29 focuses entirely on H.J. Ward's career, giving plentiful examples of his "damsel in distress" covers that captivated Depression-era readers but also brought down the wrath of censors like New York's fiery Mayor, Fiorello La Guardia, who among his accomplishments outlawed burlesque in New York for many years. The story of Hughie Ward, a hard-working Irish-Catholic family man who used his beautiful and devoted wife as the model for all the lush girls in peril on his covers, is a story of love and painting beautifully told by David Saunders, who assembled an amazing collection of Ward's art for this issue. To order, go to www.illustration-magazine.com, or write to Illustration Magazine, 3640 Russell Boulevard, St. Louis MO 63110. Telephone: 314-577-6768. Tell 'em **STUFF** sent you.

amazing 866 pulp covers alone—and even as illustration jobs dried up with the 60's advent of photography in media, he continued at his craft, creating masterpieces such as "Mars Attacks" even while working in his late middle age at minimum wage for extremely budget-conscious trading card publishers. The story of Saunders as an individualist resisting the mid-20th century corporate homogenization of art is riveting, and this 368-page book of 880 illustrations is full of his pleasure at being able to capture the world on his own terms in all its beauty, violence, absurdity, and humor. Lucky was the publisher graced by the contributions of Norman Saunders! Go to *www.IllustratedPress.com*, where you can preview the entire contents of the book, or write to: The Illustrated Press, Inc., 3640 Russell Blvd., St. Louis MO 63110, or call 314-577-6768, for more info. LIGHT ON TONGUE AND WALLET

Reviewing alcoholic beverages has its upside. I'm still enjoying that bottle of Knob Creek Bourbon I sampled for **STUFF** a few months back. And for this issue, I'm sitting at my desk savoring a glass of Voga Italia Pinot Grigio, a very smooth white wine that comes in a uniquely designed bottle that is a work of art in itself. You take out the cork and then replace it with the bottle's sleek resealable cap. At *vogaitalia.com*, they have a brief but very interesting history of wine bottle design, and they effectively make their point that the time has come for new designs like those of Voga Italia. Meanwhile, I enjoyed this wine the other night at dinner with Chinese chicken with garlic sauce, as well as a lunch of Triscuits and Swiss cheese, each time finding its flavor light and refreshing. Voga Italia also produces a merlot and a sparkling white wine, each with their own distinctive bottle design. They're priced between $10.99 and $15.99, and according to various wine blogs can be found at popular stores like Kroger, Safeway, and Food Lion—as well as your friendly neighborhood liquor stores.
